## From the Desk of Rev. Beth

*Rev. Elizabeth Stotts, Pastor*

Dear Friends,

It's 91 degrees outside and disgustingly humid as I write this. Yesterday I went to the hospital for a pastoral care visit and heard that all of the surgeries were being cancelled for the day because the air conditioning in the building wasn't working properly. I imagined the people who were in need of surgery being told they have to wait. I imagined for a moment what it would be like to perform surgery during a heat wave without proper air conditioning. As I walked down the hall toward the elevator, I watched as nurses removed their outer layers and patients fanned themselves with their menus and paperback novels. Air conditioning really is a luxury.

As I drove away from the hospital I began to pray for the workers who labor outside. I prayed that they would stay hydrated and take frequent breaks. I prayed for the young father who stopped by the church earlier in the day to ask for help paying his electric bill. I prayed and prayed and the image of water kept coming back to me.

Water.

Water plays such an important role in our lives and in our faith. Jesus was nurtured in the waters of Mary's womb. He was baptized in the waters of the Jordan River. As his first "miracle", he turned water into wine. The water of his tears fell down his face as he wept for all of creation. Water is a powerful symbol and force. It is also through water that we are made as One People through baptism.

Water.

Friends, please stay hydrated this summer. And as you drink, remember that water is so much more than H<sub>2</sub>O.

In Christ,

*Rev. Beth*

### Fun and fundraiser!

CSCC folks not only had fun marching in the parade, but the bake sale raise \$147 for the church! Townspeople were also very appreciative that we had our doors open for them to use our restrooms. Thank you to the Stotts family for organizing the events of the day!

### Thank you Al Lacerda Photography!

A huge shoutout and thank you to Al Lacerda Photography, for taking FREE family photos on the front lawn of the church on the 4th of July. What a blessing that was to so many families! If you had your picture taken, and want to download it, use the link on the homepage of [www.cscucc.org](http://www.cscucc.org). (Look for the yellow box in the middle of the page.)

### Summer Book Study

*According to Amazon:*

“Desperate for a way to slow down and connect, Kristin put an ordinary picnic table in her front yard, painted it turquoise, and began inviting friends and neighbors to join her. Life changed in her community, and it can change in yours too. Alongside personal and heartwarming stories, Kristin gives you:

- Stress-free ideas for kick-starting your own Turquoise Table
- Simple recipes to take outside and share with others
- Stories from people using Turquoise Tables in their neighborhoods
- Encouragement to overcome barriers that keep you from connecting”

Read this book at your leisure, then join Rev. Beth on Saturday, August 20 at 9:30am to have a lively discussion. It will be held on the front lawn, weather permitting, or inside the church if need be. All are welcome to participate.

### Communications Coordinator

Diane Sheibley has, with the approval of Rev. Beth and Moderator Anne Malmquist, taken on the role of “Communications Coordinator” for CSCC. You may know Diane as a former Trustee and Moderator, or from the Fair Committee. She is currently also the church Clerk.

Diane feels that the job is a perfect fit, as she spent the majority of her career in magazine publishing, and she has a passion for keeping things organized. She also feels strongly about making sure that CSCC members know what’s going on at the church, what the church is doing in the community both locally and beyond, and how they can be more involved in a way that suits their time and talents. It is with these goals in mind that Diane will be involved in the messaging of CSCC on social media, in print, and via email, and constantly striving to ensure the CSCC family feels both included and recognized for all that the church has to offer.

## From the Desk of the Sexton

Greetings everyone!

Since the beginning of the COVID pandemic I have completed a few renovation projects within the Church. Most recently I have completed some painting in the Sanctuary.

There is one project that I believe would improve the beauty of the Church sanctuary: the refurbishing of the window shutters on the windows along the sides of the sanctuary. This would require taking down the shutters, then transporting them to my home where I could scrape, sand, and paint them. Then the shutters would need to be transported back to the church and put back into place on the windows.

In order accomplish this I would need at least 2 or more volunteers to assist me in taking the shutters down and transporting them back and forth to the church.

If anyone would be interested in helping me with this project, please contact me. I can go into more detail on my project plan and timeline as well as the specific tasks that I would need assistance with.

If you would be willing to assist me, please contact me by email or phone/text at Sully1950@comcast.net or 339-933-5436.

Thank you in advance.

**Sunday, September 18, 9:00a.m.**

For those of you that remember way back before the pandemic, we used to gather for hot breakfast before worship service on the first and third Sundays of each month. Thanks to the efforts and enthusiasm of Tom Struzik and his trusty crew, we will once again have the privilege of a tasty beginning to our Sundays twice a month, beginning Sunday, September 18.

If you haven't been before, we can't wait to see you there this Fall. If you have been before, welcome back!

The price is right -- pay what you can. And if you can't pay anything, we welcome you all the same. You won't want to miss this! This event is open to the community, so bring your friends!

Current Donation Area

Proposed Donation Center

## Project Description

The goal of this project, working with CSCC UCC, is to renovate their current donation area into a workable donation center. I have worked with the church administration to determine the best applications to create a fully functionable workspace.

The project will begin with the removal of all existing shelves and hooks. The wall will be restored and repainted. The final steps will include installation of new shelving units, cabinets, drawers, counters, backdrop (with universal accessories) and two new, heavy-duty, utility carts to replace the current shopping carts.

This space has been utilized by the church as a donation area for many years. The church congregation and members of the community make weekly "drop offs" of items for those in need to the local food pantry, the women's shelter, and homeless shelter/ministries in our community. The area is also used to collect for world events too. For example, when natural disasters hit like a hurricane, flood or tornado, the church will collect blankets and clothes in this area to aid in relief.

It's an honor to undertake this project, knowing that the result will be help so many amazing organizations.

## Have you joined?

So, here we are asking 40 donors to step up and pledge \$20 more a week to plug a \$40,000 hole in our operating budget. **So far, we have 12 40-for-\$40k pledges.** We only need 28 more! Are you able to add your name to this project? If you cannot afford \$20 a week any pledge increase or new pledge is still a huge help. If you are already pledging/giving an amount that is comfortable for you and your family, you are still contributing in an important way. We are grateful to every one of you!

First time pledgers may be wondering: How does pledging work? A bit of background.

- A pledge is a promise.
- Our church and its work are funded entirely by annual pledges and financial gifts from members and friends of this church. The cost to keep us going is \$4,000 per week, bare bones.
- Your pledge/promise to give to this church is your personal decision. If you pledge and your financial situation changes, you can change the amount you pledged -- up or down -- at any time.
- We have no larger church in the background to fill our budgeted needs—or telling us what to do. Each Congregational church operates as its own congregation decides.

We must remember: WE are the church, and we are responsible.

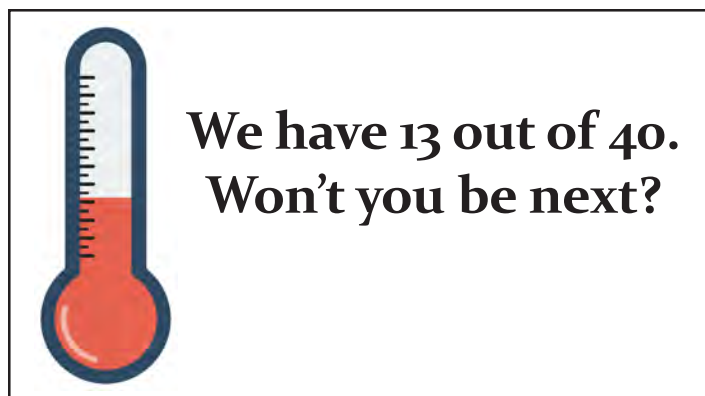

You may go to [cscucc.org/giving](http://cscucc.org/giving) for more information or to make your first pledge or increase your current pledge. Or use the form on the next page.

May the light of Christ shine on you,

*Gail Wershing—for Stewardship*

Remember, you need not be a member of the church to pledge! All are welcome!

Pledged funds may be paid weekly, monthly, quarterly, or annually. All pledges are confidential.
