

Dear CSCC Families,

For the next six weeks, the Heifer International Program, a long-standing tradition at CSCC, will be utilized during Kids Church. Heifer focuses on the importance of helping others abroad and at home with sustainability and kindness through their curriculum, while preparing items to be sold at our Living Gift Market on February 9th. All the proceeds from the market go toward funding animals, plants, and projects of Heifer International.

Please mark your calendars for February 9th as it is the culmination of their hard work and commitment to spread kindness and love by raising money for those in need around the world! Should you have any questions, please feel free to contact me.

Here is a brief summary of what to expect during the Heifer season in Kids Church:
